Dear Sir,

CROWLAND, POSTLANDS, DECOY FARM. USE OF LAND FOR STORAGE OF LIQUID WASTE.

With reference to the above application, I have to advise that it may not be possible to forward my Council's final observations within the timescale set out in your letter dated 9th March 1995. I would anticipate preparing a report for consideration at the District Council's Planning Committee meeting on 25th April 1995.

At this stage, my initial concerns relate to possible pollution issues and the appearance of the proposal in the landscape. As a separate issue, I would advise that you contact the Peterborough and Spalding Gliding Club whose site is close to the proposed development.

I shall telephone you if I require any further information prior to preparing a report for consideration at the Council's Planning Committee. I hope this is of assistance.

Yours faithfully

Dear Sir,

ERECT MACHINERY AND EQUIPMENT ON LAND ADJOINING EXISTING WASTE STORAGE LAGOON TO DEMONSTRATE ANAREOBIC DIGESTION AT DECOY FARM, POSTLAND, CROWLAND FOR G M RIDDINGTON.

I can advise that the above application was considered at the District Council's Planning Committee meeting on the 25th April 1995. I enclose for your information a copy of the agenda report, and can confirm that the recommendation was adopted.

The Committee have requested that I emphasise that their recommendation is based on the understanding that any grant of permission will be restricted to the two year trial period. The Committee have also asked me to advise that it would appear that work has already commenced on site.

I trust this is satisfactory.

Yours faithfully

N Midlen

For the attention of Mr D Roberts

Dear Sirs

Re: **Biomass Demonstration**
Decoy Farm : Crowland : Application H2/282/95

Following conditional planning approval for the above development, we have made a minor amendment to the plant area, providing a canopy cover over all the plant items rather than a building around the boiler units.

We understand from a conversation with your representative that this should not present a significant variation and seek your further confirmation/approval of the detail shown on the attached drawings.

Yours faithfully
