AS INDICATED.

DO NOT SCALE FROM THIS DRAWING
This drawing is copyright and may not be altered, traced, photographed or used for any other purpose other than that for which it is issued. The Licensed Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including specifications are based upon current site conditions noted on this area. No responsibility can be accepted for abnormal conditions which may be encountered during construction unless reported to the Architect on that basis. Drainage assumptions may be considered. Site and services are accompanied in respect of boreholes to establish specific site conditions before foundation work is undertaken. This drawing is limited in the amount of information contained and does not purport to contain a full appreciation of the works. It is solely for the purpose of obtaining Planning / Building Regulation approval. This drawing must not be used for a contract document stage. This work will not be carried out or supervised on site by G.R. Merchant or any representative thereof. It is the client or their consultants specific responsibility to select materials, specification of materials, adherence to workmanship, variations to construction, protection to the area unless otherwise stated and all components and ancillaries etc. to be used fitted and installed etc. to strict accordance with manufacturers instruction and relevant code of practice. Individuals shall conform to appropriate British standard specification or BBA certificate or Zurnamark code explained. The Employer / Client shall ensure that the selected contractor is competent with and satisfy all management techniques in relation to CDM Regs 1994 Safety legislation for
