It Is Intended To Transfer The Existing Day Care Facility Within The Main Building To The Proposed, Together With The Necessary Care And Office Staff.
This Will Provide A Purpose Built Day Care Centre Better Able To Serve Clients In The Local Community.
It Is Anticipated That The Only Increase In Traffic To The Site Would Be A Minibus Once A Day Morning & Afternoon Transporting Clients To & From The Centre. (This Will Be Less Traffic Than The Buildings Previous Use As A Storage Building For Milk Depot)
