**DO NOT SCALE FROM THIS DRAWING**

This drawing is copyright and may not be altered, traced, photographed or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect before proceeding with the work. Any variations from the approved plans must be submitted to the Local Planning Authority for approval. We cannot be responsible for unforeseen conditions which may be discovered during construction unless reported to the Architect so that design amendments may be considered. We will survey as instructed in respect of boundaries but not to establish specific site conditions before foundation work is undertaken. This drawing is limited to the amount of information contained and does not purport to contain a full specification of the works. It is solely for the purpose of obtaining Planning / Building Regulation approval. This drawing must not be used as a printed document alone. The works will not be supervised or inspected on site by G R Merchant of any representative thereof. It is the client or their appointed agents responsibility to control workmanship, subsidiaries of materials, adherence to specifications, variations to contract etc. All materials to be new unless otherwise stated and all components and materials etc. to be used fixed and installed etc. in strict accordance with manufacturers instruction and relevant code of practice. Materials shall conform to appropriate British standard specification or BBA certificate or European standard where applicable. The Employer / Client shall ensure that the selected contractor is competent with adequate public liability insurance. The Contractor is to be responsible for the safety, maintenance of all plant and Work generally. The Employer / Client is to ensure adequate health and safety precautions in accordance with the Construction Design and Management Regulations and that the Planning Supervisor will be required. The works shall comprise of all that is shown on the drawing and details. Work that may not specifically be shown but may be reasonably inferred as necessary to carry out the works shall be deemed to be included. It is the plot / land owners responsibility to be aware of the Party Wall etc. Act 1996 when building in close proximity to adjoining neighbors boundaries.
