

PROPOSED EXTENSION TO SILENI TOWN DAM LANE DONINGTON for MR & MRS J BROOKES

DO NOT SCALE FROM THIS DRAWING

This drawing is the property of the Designer. Prior consent in writing must be given before any part or parts thereof may be used, copied or disclosed to any other person or company for any purpose other than that for which it is intended. Dimensions should be taken only from this drawing and not scaled from it. Any discrepancies or ambiguities in the drawing must be reported to the Designer before any work is commenced. Only sub-contractors and suppliers nominated by the Designer should be used for the execution of any part of the work or for the supply of materials and equipment for the purpose of incorporation in the work. It is the responsibility of the contractor to ensure that all sub-contractors and suppliers are competent and have the necessary qualifications and experience to undertake the work they are contracted to do. The contractor is responsible for obtaining any necessary approvals for sub-contractors and suppliers and ensuring that they are aware of their responsibilities under the Health and Safety at Work Act and any subsequent amendments. The contractor is responsible for the provision of a safe working environment for all persons on the premises and must ensure that all sub-contractors and suppliers are made aware of any hazards or potential hazards associated with the work they are contracted to do. The contractor is responsible for the provision of all temporary supports, bracing and other temporary works as required to ensure the stability of the structure during construction. The contractor is responsible for the provision of all services, including water, electricity, drainage, telephone, etc. The contractor is responsible for the provision of all necessary approvals for compliance with the Building Regulations, Planning Permission, Highways Authority, Environmental Health, Fire Prevention Officer, Building Control Officer, Local Authority, Water Authority, Gas Board, Electricity Board, Telecommunications Authority and any other statutory authority. Work should not commence on any part of the construction without the necessary approval. Party Walls Act 1996: when building in close proximity to adjoining neighbour's boundaries, it may be necessary to serve a Party Wall Notice. Please consult the Designer if you are unsure. Copyright © 2015 affected by the works. The Contractor must be in possession of the latest copies of particular
