This drawing is copyright and may not be altered, traced, photographed or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including foundations are based upon typical site conditions related to the area. No responsibility can be accepted for abnormal conditions which may be discovered during construction unless reported to the Architect on their design amendments may be considered. Site soil surveys are recommended in respect of foundations to establish specific site conditions before foundation work is undertaken. This drawing is limited in the amount of information contained and does not purport to contain a full specification of the works. It is solely for the purposes of obtaining Planning / Building Regulation approval. This drawing must not be used as a contract document alone. The works will not be supervised or inspected on site by G R Merchant or any representative thereof. It is the client or their appointed agents responsibility to ensure / recommend, substitution of materials, adherence to specification, variations to comment etc.All new plots to be new unless otherwise stated and all components and materials etc. to be used fitted and installed, etc. in strict accordance with manufacturers instruction and relevant code of practice. Materials shall conform to appropriate British standard specification or BBA certificate or European class equivalent. The Employer / Client shall ensure that the selected contractor is conversant with and adopts all measures necessary to achieve compliance with Health and Safety legislation for B. Addy., rules and Work Places. The Employer / Client is advised that should the works need to comply with the Construction Design and Management Regulations an Independent Planning Supervisor shall be appointed to co-ordinate matters of all the health and safety aspects of design. Work must not be started until the Local Authority has approved all relevant plans and given such consents as shall be deemed to be included. It is the plot / land owners responsibility to be aware of the exact position of all boundaries and to ensure that the proposed works are carried out entirely within the confines of the site. Any trees etc. Act 1996, when building in close proximity to adjoining neighbours boundaries.
