PART I

East Midlands Electricity plc Application Number EM143/21/95238 Date 14.3.1994

To the Chief Executive Planning Department Council South Holland District

Dear Sir

Electricity Act 1989

Application is being made to the Secretary of State for Energy for his consent to the development described overleaf. The Secretary of State will at the same time be requested to direct that planning permission for this development shall be deemed to be granted. The consent and the direction may be given subject to conditions.

To assist the Secretary of State to determine the application the District/Borough Council is requested to return to me two copies of this Form with Part I Certificate and Part II completed and signed.

Department of the Environment Circular 14/90 (Welsh Office Circular 20/90) [Department of Energy Circular 1/90] describes this procedure and the reason for it.

Yours faithfully
For and on behalf of East Midlands Electricity plc.

Dear Sir

ENVIRONMENTAL STATEMENT - GREEN LANE, FLEET FEN

This new line is a direct replacement of an existing line which is deteriorated and nearing the end of its useful life. The line will be built on the existing route but is 100m shorter since two existing transformers are to be resited. In addition, 300m of L.V. overhead line will be removed by laying short lengths of underground cable. This will reduce the visual impact of lines at each end of the circuit considerably.

Yours faithfully
