Good morning Greg, the bricks used are either reclaimed bricks from the site or TBS Keswick blend. The roof slates are natural Spanish Slates and the pantiles are the reused tiles from the original barn.

Many thanks,

Alasdair

Hello Alasdair,

Further to our telephone conversation earlier on this morning, please may I respectfully request that you consent to a brief extension until Friday 8 July 2022. As discussed, whilst last week I was confident that my report could be finalised before today, unfortunately, in the intervening period a number of extremely urgent matters arose which required my attention. I offer my sincerest apologies for the further delay and any frustration this may cause your client. I am continuing to write up my report as we speak, and as such, I hope that a determination will be with you far sooner than the newly, further extended deadline.

Many thanks.

Kind regards,
Greg Watkinson
