OUTLINE

Reference: H08-0965-95 **Date of Decision:** 24th November 1995

Applicant: Mr B A Panton
"Braemar"
36 Regent Street
Spalding
Lincs

Location: "Breamar" Nurseries Chaintoft Lane Gosberton Spalding

Description: Proposed 3 bed bungalow with garage and temporary siting of caravan until occupation of bungalow

South Holland District Council hereby give notice that this application has been GRANTED (or equivalent) subject to the following condition(s):

1 Application for approval of reserved matters must be made not later than three years beginning with the date of this permission, and the development must be begun not later than whichever is the later of the following dates:
(a) the expiration of five years from the date of this permission,
(b) the expiration of two years from the final approval of reserved matters or in the case of approval on different dates, the final approval of the last such matter to be approved.

Reason: As required by Section 92 of the Town and Country Planning Act 1990.

2 The following matters are reserved for subsequent approval by the Local Planning Authority, and no development to which they relate shall be carried out until these matters have been approved, viz:
(1) Detailed drawings to a scale of not less than 1/100 showing the siting design and external appearance of the buildings, including particulars of the materials to be used for external walls and roofs;

(2) The siting and design of any vehicular access to a road;
(3) Landscaping of the site, including details of positions, heights on planting and species of trees and shrubs.

Reason: The application was submitted in outline only.

3 The approved scheme of landscaping and/or screening shall be carried out in its entirety within a period of two years beginning with the date on which development of the land is commenced. The trees, shrubs or bushes shall be adequately maintained by the owner(s) of the land on which they are situated for a period of ten years beginning with the date of completion of the scheme, and all losses shall be made good during that period.

Reason: In the interests of visual amenity and to ensure that the approved scheme is implemented satisfactorily.

4 The occupation of the dwelling shall be limited to a person solely or mainly employed, or last employed, locally in agriculture as defined in Section 336 of the Town and Country Planning Act 1990, or a dependent of such a person residing with him, or a widow or widower of such a person.

Reason: The site is in a rural area where it is the policy of the Local Planning Authority not to permit residential development except in the interests of agriculture or where related to the use of the land. The circumstances of this case relate to an agricultural need, and permission is therefore confined to it.

5 At the expiration of a period of five years from the date of this permission the moveable dwelling and any ancillary structures shall be removed from the site and the site reinstated to the reasonable satisfaction of the Local Planning Authority.

Reason: The site is not considered suitable as a permanent caravan site and permission has been granted only to meet the temporary needs of the applicant, namely of accommodation until the completion of a permanent dwelling on the site.
