Date: FEB '07.	Drawn: GRM.

Scales
AS INDICATED.

DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be altered, traced, photographed or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including foundations are based upon typical site conditions related to the area. No responsibility can be accepted for abnormal conditions which may be discovered during construction unless reported to the Architect so that design amendments may be considered. Site soil surveys are recommended in respect of foundations to establish standby risk conditions before's foreseen and is undertaken. This drawing is limited in the amount of information contained and does not purport to contain a full specification of the works. It is to be read in conjunction with the Planning Specification and Bill of Quantities where they are prepared and used as a contract document. The building shall be supervised by the Contractor or his agent or by the Employer or any representative thereof. It is the client or their appointed agents responsibility to control workmanship, submit-ction of materials, adherence to specifications, variations to contract and all materials to be new unless otherwise stated and all components and materials etc. to be used fixed and installed etc. in strict in accordance with manufacturers instruction and relevant code of practice. Materials shall conform to appropriate British standard specification or BBA certificate or European state equivalent. The Emp- yer / Client shall ensure that the selected contractor is conversant with and adopts all measures necessary to achieve compliance with Health and Safety legislation for Building sites and Work in area. The Employer / Client is advised that should the works need to comply with the Consrtuction Design and Management Regulations an Independent Planning Supervisor will be required. The works shall comprise of all that is shown on the drawing and details. Work that may not reasonably be shown but may be reasonably inferred as necessary to carry out the works shall be deemed to be included. It is the job / land owners responsibility to be aware of the Party Wall etc. Act 1996 when building in close proximity to adjoining neighbore boundaries.
