Scales
AS INDICATED.

DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be altered, traced, photographed or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including foundations are based upon typical site conditions relevant to this area. No responsibility can be accepted for unusual conditions which may be discovered during construction unless reported to the Architect so that design expenditures may be considered. Site soil surveys are recommended in respect of foundations to establish specific site conditions before foundation work is undertaken. This drawing is finished in the amount of information contained and does not pretend to contain a full specification of the works. It is solely for the purpose of obtaining Planning / Building Regulation approval. This drawing must not be used as a working documentation. The work shown on this drawing is designed to comply with B.S. 8110 Structural use of concrete. The work shown on this drawing is designed to allow variability in control mortar strip, substitution of materials, adherence to specification, variations to contract etc. All materials to be new unless otherwise stated and all components and materials etc. to be used fitted and installed etc. in strict accordance with manufacturers instructions and relevant code of practice. Materials shall conform to appropriate British standard specification or BSA certificate of European code approved. The Employer / Client shall ensure that the selected contractor is conversant with and accepts all measures necessary to achieve compliance with Health and Safety legislation for Building sites and Work places. The Employer / Client is advised that should the works need to comply with the Construction Design and Management Regulations as Independent Planning Supervisor will be required. The works shall comprise of all that is shown on the drawing and details which that may not specifically be shown but may be reasonably inferred as necessary to carry out the works shall be deemed to be included. It is the plot / land owners responsibility to be aware of the Party Wall etc. Act 1996 when building in close proximity to adjoining neighbors boundaries.
