2 The following matters are reserved for subsequent written approval by the Local Planning Authority, and no development to which they relate shall be carried out until these matters have been approved, viz:

3 The approved scheme of landscaping and/or screening shall be carried out in its entirety within a period of two years beginning with the date on which development of the land is commenced. 4 Before development is commenced details of screening (including height, type and position) along the north eastern and south western boundaries of the site shall be submitted to and approved in writing by the Local Planning Authority. Such a scheme as may be approved shall be brought into effect before the development hereby permitted is occupied.

Reason: In the interests of the amenities of the locality.

5 Before the access is commenced to be used, provision shall be made within the site to the satisfaction of the Local Planning Authority for a motor vehicle to turn to enable it to enter and leave the highway in forward gear.

Reason: To enable vehicles to enter and leave the highway in forward gear in the interests of road safety.

The applicant is reminded that permission has been granted purely for "residential development" and that details relating to such matters as number of dwellings, siting and means of access are all reserved matters.

Access to the site shall be relatively central and not within the north eastern half of the site's frontage to Roman Bank.
