AS INDICATED.

DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be altered, traced, loaned/parted or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including foundations are based upon trapeze site conditions revealed by site visits. No responsibility can be accepted for abnormal conditions which may be discovered during construction unless reported to the Architect so that design amendments may be considered. Site soil surveys are recommended in respect of foundations to establish requisite safe conditions before foundation work is undertaken. This drawing is limited in the amount of information contained and does not purport to comprise a full specification of the works. It is necessary for the purposes of obtaining Planning / Building Regulations approval. This drawing must not be used as a standard document issues. The works will not be approved or inspected on site by G.R. Merchant or any representative thereof. It is the client or their appointed agents responsibility to control tenders, acceptance of materials, adherence to specifications, maintenance of contract etc. All materials to be new unless otherwise stated and all components and thicknesses etc. to be fixed fitted and installed etc. in strict accordance with manufacturers instruction and relevant code of practice. Materials shall conform to appropriate British standard specification or BBA certificate or European code equivalent. The Engineer / Client shall ensure that the selected contractor is conversant with and accepts all responsibilities necessary to achieve compliance with Health and Safety legislation for
