DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be altered, traced, photographed or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including foundations are based upon typical site conditions. Where abnormal conditions arise the Contractor is responsible for ensuring that the design assumptions may be checked and verified during construction unless reported by a competent Engineer solely for the purposes of obtaining Planning / Building Regulation approval. This drawing does not purport to contain all the information used as a contract document. The Architect is not responsible for any specification or full specification not included in this drawing. Measured on any representative frame. If the works will not be supervised by the Architect, this drawing is not to be used for setting out purposes. Unless otherwise stated, adherence to specifications is intended on site by G.R. Merchant Ltd. to select workmanship and materials of a reasonable and acceptable standard. Contractors are responsible for ensuring that all work and materials are fit for their purpose and comply with current British Standards, Codes of Practice, Building Regulations, Health and Safety legislation and other statutory requirements. The Employer / Client shall ensure that all necessary consents are obtained before work is commenced. Building Regulations Approval is necessary to achieve compliance with the selected construction specification. Supervision will be required. The works shall be set out and dimensioned by the Contractor. The Contractor is responsible for ensuring that every individual who is to be employed on the site is provided with a copy of all the drawings relevant to the works shall be included in the Health and Safety Plan and may be reasonably required by the Planning Party Wall etc. Act 1996.

DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be altered, traced, photographed or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including foundations are based upon typical site conditions related to the area. No responsibility can be accepted for abnormal conditions which may be discovered during construction unless reported to the Architect so that design amendments may be considered. Site soil surveys are recommended in respect of foundations to establish specific site conditions before foundation work is undertaken. This drawing is limited to the amount of information contained and does not purport to contain a full specification of the works. It is solely for the purpose of obtaining Planning / Building Regulation approval. This drawing must not be used as a contract document alone. The works will not be supervised or inspected on site by G.R. Merchant or any representative thereof. It is the client or their appointed agents responsibility to control workmanship, substitution of materials, adherence to specification, variations to contract etc.All dimensions are in millimetres unless stated and all components and materials etc. to be used must be installed in strict accordance with manufacturers specification and instructions. Materials shall conform to appropriate British standard specification or BBA certificate or European code equivalent. The Employer / Client shall ensure that the selected contractor is conversant with and adopts all measures necessary to achieve compliance with Health and Safety legislation for Building sites and Work places. The Employer / Client is advised that should the works need to comply with the Construction Design and Management Regulations an Independent Planning Supervisor will be required. The works shall comprise of all that is shown on the drawing and details. Work that may not specifically be shown but may be reasonably inferred as necessary to carry out the works shall be deemed to be included. It is the plot / land owners responsibility to be aware of the Party Wall etc. Act 1996 when building in close proximity to adjoining neighbors boundaries.
