DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be altered, traced, photographed or used for any purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All doubts relating to the meaning of this drawing are to be resolved upon theis date the conditions stated in the seal. No responsibility can be accepted for abortive conditions which may be occasioned during construction where reported to the Architect before the work is executed. Site surveys are recommended in respect of foundations to establish depths, site conditions before and during excavation work is undertaken. This drawing is limited in the manner of information contained and does not purport to contain a full specification of the works, it is solely for the purpose of obtaining Planning / Building Regulation approval. This drawing must not be used as a contract document. The works detailed on this drawing are to be sprinkled on site by G.R Merchant or any representative thereof. It is the client or their appointed agents responsibly to ensure workmanship, construction of materials, alternance or specification, variations to contract etc. are brought to the attention of the Architect. Where the Architect is not employed to design structural elements or details reference to Engineers and/or Specialists may be necessary to achieve compliance with Building Regulations and Safety legislation for the benefit of the client. Any structural design shown on this drawing is indicative only and details must be prepared by a competent Engineer and submitted for approval to the Building Control Officer prior to commencement of any work on site. Supervision and the not specifically the shown but may be reasonably formed as necessary or carry out the works shall be deemed to be included. It is the duty / and owners responsibility to be aware of the Party Wall etc. Act 1996 when building in close proximity to adjoining neighbors boundaries.
