MOULTON SEAS END SPALDING LINCS for
SR & AV WILLSON BUILDING CONTRACTORS

DO NOT SCALE FROM THIS DRAWING

This drawing is the property of the Designer and must not be copied or used for any other purpose than that for which it is intended. The contractor is to check all dimensions and report any discrepancies to the Designer before commencing work. This drawing is to be read in conjunction with all other relevant consultants' drawings and specifications. The Building Regulations Approval and the Planning Permission must be obtained before any work is commenced. The Building Regulations Approval and the Planning Permission may include conditions which must be complied with. Any variations to the approved drawings must be agreed with the Local Authority Building Control Officer and the Planning Authority before work is commenced. Any discrepancies in the drawings or specifications must be reported to the Designer before work is commenced. Dimensions are in millimetres unless otherwise specified. Dimensions are to be taken from figured dimensions only. Do not scale from drawings. The Designer is not responsible for the accuracy of information provided by others. Reproduced by permission of Ordnance Survey on behalf of HMSO. © Crown copyright and database rights 2025 Ordnance Survey 100031961. The contractor is responsible for the accuracy of all dimensions on site. The Designer is not responsible for the accuracy of the Ordnance Survey Plan. Any discrepancies must be reported to the Designer before work is commenced
