South Holland District Council hereby give notice that OUTLINE PLANNING PERMISSION HAS BEEN GRANTED for the development in accordance with the application submitted, subject to the following:

1 Application for approval of reserved matters must be made not later than three years beginning with the date of this permission, and the development must be begun not later than whichever is the later of the following dates:
(a) the expiration of five years from the date of this permission,
(b) the expiration of two years from the final approval of reserved matters or in the case of approval on different dates, the final approval of the last such matter to be approved.

Reason: As required by Section 92 of the Town and Country Planning Act 1990.

2 The following matters are reserved for subsequent written approval by the Local Planning Authority, and no development to which they relate shall be carried out until these matters have been approved, viz:
(1) Detailed drawings to a scale of not less than 1/100 showing the siting, design and external appearance of the buildings, including particulars of the materials to be used for external walls and roofs;
(2) The siting and design of any vehicular access to a road;

period of two years beginning with the date on which development of the land is commenced. The trees, shrubs or bushes shall be adequately maintained by the owner(s) of the land on which they are situated for a period of ten years beginning with the date of completion of the scheme, and all losses shall be made good during that period.

Reason: In the interests of visual amenity and to ensure that the approved scheme is implemented satisfactorily.

4 Before the development is commenced details of screening along the northern and southern boundaries of the site shall be submitted to and approved in writing by the Local Planning Authority. Such a scheme as may be approved shall be fully implemented before the dwelling is brought into use.

Reason: In the interests of the amenities of the locality.

5 Before the access is commenced to be used, provision shall be made within the site to the satisfaction of the Local Planning Authority for a motor vehicle to turn to enable it to enter and leave the highway in forward gear.

Reason: To enable vehicles to enter and leave the highway in forward gear in the interests of road safety.

6 Before the foul drainage system is installed, the applicants shall submit for the written approval of the Local Planning Authority the results of percolation tests (under BS6297:1983) to demonstrate that suitable sub-soil and adequate land area is available for the soakaways. In the event that the soakaways do not function adequately the applicants shall install a package treatment plant in accordance with details to be approved in writing by the Local Planning Authority.

Reason: To ensure the provision of satisfactory foul drainage.

The permitted development will require the provision of a new vehicular access crossing. Applicants are requested to contact the Local Highway Authority's Divisional Office at Pode Hole - (Tel: 01775 769091) prior to the commencement of any works within the public highway.

Your attention is drawn to the fact that this Authority has adopted as policy the Lincolnshire Design Guide for residential areas. It is, therefore, the expectation of the Council that the design and layout will be of appropriate hgih standard and sympathetic to the streetscene.
