Dear Sir

Temporary Laboratory Accommodation at Compass House, 7 Enterprise Way, Pinchbeck for Nationwide Produce Ltd

The above site has been visited and I write to request whether it would be possible to relocate the proposed portacabin. In the suggested location it will be very visible from Enterprise Way when looking from the entrance of the adjoining industrial unit. The north eastern boundary of the site has recently been planted and it appears that most of this will need to be removed in order to position the portacabin where proposed.

It is considered that if a portacabin was moved towards the rear of the existing brick building, the existing landscaping could be retained and it would be less visible from the public highway. This would be beneficial.

I look forward to your comments and/or amended plans and enclose the necessary amendment forms and standard letter.

Yours faithfully

p.p.
