Thank you for consulting us on this.
We appreciate the submission; however, the photographic study does not meet the required standards. This office previously recommended an equivalent Level 2 historic building recording of the Cowbit Good Shed, in accordance with Historic England's Understanding Historic Buildings: A Guide to Good Recording Practice (2016).
The submitted photographic study contains some incomplete and poor-quality images. Additionally, the report lacks written and drawn elements as outlined in the above guidance. Therefore, this office is not in a position to recommend discharge in full of condition 7 of H01-0509-23 until amendments are made.
With respect to the above, please contact the Historic Places team at Lincolnshire County Council, Lancaster House, 36 Orchard Street, Lincoln, LN1 1YL, 07386 656079, email ruben.lopez@lincolnshire.gov.uk to discuss the requirements and request preparation of a brief for the report.
