Scales
AS INDICATED

DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be altered, traced, photocopied or used for any other purpose other than that for which it is issued. The Building Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including foundations are limited upon typical site conditions related to the area. No responsibility can be accepted for abnormal conditions which may be discovered during construction unless reported to the Architect on that drawing as soon as they are discovered. Site and ground investigations to be carried out by specialists as necessary to establish such conditions. This drawing is limited to the delivery of information contained and should not purport to establish a full appreciation of the contract. It is solely for the purposes of obtaining Planning / Building Regulations approval. This drawing must not be used as a contract documents alone. The works will not be supervised or inspected on site by Q.R. Merchant and any discrepancy discovered, it is the duty client or their appointed agents responsibility to control workmanship, substitutions of materials, adherence to specifications, variations to approved drawings etc. Unless to be noted otherwise existing and all components and materials etc. to be used should be considered new. In strict accordance with manufacturers instructions and relevant codes of practice. Where proprietary work applies to materials, goods, components specification or fabrication or designed work undertaken. The Employer / Client shall ensure that the selected contractor is in possession with the relevant and necessary insurance cover in accordance with Health and Safety legislation for building sites and Work places. The Employer / Client is advised that should the works need to comply with the Construction Design and Management Regulations an Ashtons Planning Supervisor will be required. The works shall be complete of all that is shown on the drawing and details, which may not specifically be shown but may be reasonably believed as necessary to carry out the works shall be deemed to be included. It is the plot / land owners responsibility to be aware of the Party Wall etc. Act 1996, when building in close proximity to adjoining neighbours boundaries.
