DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be altered, traced, photographed or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including foundations are based upon spot pits and trial holes witnessed by the press. No responsibility can be accepted for site-based conditions which may be discovered during construction unless reported to the Architect on that design amendments may be considered. Site and surveys are recommended in respect of boundaries to establish specific site conditions before construction work is undertaken. This drawing is limited in the amount of information contained and does not purport to contain a full specification of the works. It is solely for the purpose of obtaining Planning / Building Regulation approval. This drawing must not be used as a contract document alone. The works will not be supervised or inspected on site by G.R. Merchant or any representative thereof. It is the client or their appointed agents responsibility to control work/materials, substitution of materials, variations to specification, variations to contract etc. all particulars to be read unless otherwise stated and all compromises and assumptions etc. to be noted, listed and validated site. In terms accordance with manufacturers instruction and relevant codes of practice. Materials shall conform to appropriate British standard specification or BBA certificate or European units equivalent. The Employer / Client shall ensure that the selected contractor is conversant with and adopts all measures necessary to achieve compliance with Health and Safety legislation for
