DO NOT SCALE FROM THIS DRAWING
This drawing is copyright and may not be altered, reused, photocopied or used for any other purposes other than that for which it is issued. The Contract Contractor is to check all dimensions on site and report any discrepancies to the architect. All areas shown on the planning building. Foundations are based upon typical site conditions existed in the area. We cannot accept responsibility for abnormal conditions which may be encountered during the excavation of foundations and which may be disclosed by the removal of the soil and vegetation. Any discrepancies shall be reported to the Architect so that he may be able to amend the design to suit the conditions before foundation work is commenced. This drawing is limited in the amount of information contained and does not purport to contain a full specification of the works. It is solely for the purposes of obtaining Planning / Building regulations approval. This drawing must not be used as a contract document alone. The works are to be supervised or inspected on site by G.R Merchant or any representative thereof. It is the client or their appointed agents responsibility to control workmanship, substitution of materials, adherence to specification, variations to contract etc.
All materials to be new unless otherwise stated and all components and materials etc. to be used fitted and installed wi... in accordance with manufacturers instruction and relevant code of practice. Materials shall conform to appropriate British standard specification or ... or other European code equivalent. The Employer / Client shall ensure that the relevant information connected with and across all measures required to achieve compliance with the all current legislation for Building sites and Work places. The Employer / Client is advised that should the works need to comply with the Construction Design and Management Regulations an additional Planning Supervisor ... The works will ... and ... work this drawing ...
