DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be altered, traced, photographed or used for any other purpose other than that for which it is issued. The Planning Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing, including foundations are based upon typical site conditions related to the area. No responsibility can be accepted for abnormal conditions which may not discovered during construction unless reported to the Architect so that design amendments may be commenced. Site soil surveys are recommended in respect of foundations to establish specific site conditions before foundation work is undertaken. This drawing is limited to the amount of information contained and does not purport to contain a full specification of the works. It is solely for the purposes of obtaining Planning / Building Regulations approval. This drawing should not be used as a contract document alone. The works will not be supervised or inspected on site by G R Merchant or any representative thereof. It is the client or their appointed agents responsibility to correct unworkmanship, substitutions of materials, refinements to specifications, variations or omissions etc.

All materials to be new unless otherwise stated and all components and materials etc. to be used fitted and installed etc. to strict accordance with manufacturers instruction and relevant code of practice. Materials shall confirm to appropriate British standard specification or BBA certificate or European code equivalent. The Employer / Client shall ensure that the selected contractor is conversant with and adopts all measures necessary to achieve compliance with current and future legislation for Building sites and Work placing "The Employer / Client" is as Defined in and we ... Build ( ) Reg 2) With b) Design (stress Duties) and Management Regulations an independent Planning Supervisor will be employed ...
