DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be altered, traced, photographed or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing [illegible] foundations are based upon hypothetical site conditions related to the area. No responsibility can be accepted for abnormal conditions which may be discovered during construction unless reported to the Architect so that design amendments may be considered. Site soil surveys are recommended in respect of foundations to establish specific site conditions before truncation work is undertaken. This drawing is limited in the amount of information contained and does not pursue to contract or full specification of the works. It is solely for the purpose of obtaining 'Planning' / Building Regulation approval. The drawing must not be used as a contract document alone. The works will not be supervised or inspected on site by G R Merchant or any representative thereof. It is the client or their appointed agents responsibility to control workmanship, substitution of materials, adherence to specifications, variations to contract etc.

All materials to be new unless otherwise stated and all components and materials etc. to be used. Sites and Installed etc. in strict accordance with manufacturers instruction and relevant trade or practice. Materials shall conform to appropriate British standard specification or BSM or BS or European code equivalent. The Employer / Client shall ensure that the electrical contractor is conversant with and admits all measures necessary to achieve compliance with Health and Safety legislation for Building sites and Work places. The Employer / Client is advised that should the [illegible] need to comply with the Construction Design and Management Regulations an independent [illegible] supervisor will be required. The works shall comprise of all that is shown on the drawing, and [illegible] Work that may not specifically shown but may be reasonably inferred as necessary to carry out the works shall be deemed to be included.
