Date: AUG '08.	Drawn: GRM.

Scales
AS INDICATED.

DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be altered, traced, photographed or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including dimensions are based upon typical site conditions related to this area. No responsibility can be accepted for abnormal conditions which may be discovered during construction works reported to the Architect as that design recommendations may be considered. Site soil surveys are recommended in respect of foundations to establish specific site conditions before foundation work is undertaken. This drawing is limited to that amount of information considered and does not purport to contain a full specification of the works. It is solely for the purpose of obtaining Planning / Building Regulation approval. This drawing must not be used as a contract document or alone. The works will not be supervised or inspected on site by G.R. Merchant or any representative thereof. It is the client or their appointed agents responsibility to control workmanship, specification of materials, deliveries in specification, variations to contract etc.All materials to be used known otherwise stated and all components and materials etc. to be new/ sized and installed etc. in strict accordance with manufacturers instruction and relevant code of practice. Materials used conform to appropriate British standard specifications or BBA certificate or European code equivalent. The Developer / Client shall ensure that the selected contractor is conversant with and obtains all submissions necessary to address compliance with Health and Safety legislation for Building sites and Work places. The Developer / Client is advised that should the works need to comply with the Construction Design and Management Regulations an Independent Planning Supervisor will be employed. The works shall commence at all times in strict accordance with details shown on this drawing and details. Work that may not specifically be shown but may be reasonably inferred as necessary in order that the works shall be deemed to be included, it is the job / land owners responsibility to be aware of the Party Wall etc. Act 1996 when building in close proximity to adjoining neighbours boundaries.
