DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be reproduced or transmitted in any form or by any means, electronic or mechanical, without the prior consent in writing of the Designer. It is supplied on the understanding that it is to be used only for the purpose for which it was prepared and all information given herein is to be treated as private and confidential.

Dimensions should be checked on site and any discrepancies or omissions should be reported to the Designer before any work is commenced. Any sub-contractor who undertakes the production of fabrication drawings from this drawing must check all dimensions and be responsible for the accuracy of all such dimensions. Any discrepancies or omissions should be reported to the Designer before any work is commenced.

Any alterations or additions to this drawing, including those required by Building Control or other statutory authorities, shall be carried out only by or with the express permission of the Designer.

All materials and workmanship must comply with current British Standard Specifications and Codes of Practice and be executed in accordance with the requirements of the relevant Building Regulations and to the satisfaction of the Building Control Officer.

Work must not commence on site until a Building Control Officer has been informed of the intention to commence building operations in accordance with the requirements of the Building Regulations.

Party Wall etc. Act 1996: when building(s) close proximity to adjoining neighbor's boundaries, it is the responsibility of the building owner to serve the relevant notice(s) on the adjoining owner(s) prior to any work being carried out.

Work must not commence on site until all necessary statutory consents have been obtained.

Party Wall etc. Act 1996: when building(s) close proximity to adjoining neighbor's boundaries, it is the responsibility of the building owner to serve the relevant notice(s) on the adjoining owner(s) prior to any work being carried out.

Work must not commence on site until all necessary statutory consents have been obtained.

All work must be executed in a workmanlike manner and comply with the requirements of the relevant British Standard Specifications and Codes of Practice
