PART 1

East Midlands Electricity plc Application Number EM356/23b/99198 Date 1 May 1998
To the Chief Executive Planning Department Council South Holland District

Dear Sir

Electricity Act 1989

Application is being made to the Secretary of State for Energy for his consent to the development described overleaf. The Secretary of State will at the same time be requested to direct that planning permission for this development shall be deemed to be granted. The consent and the direction may be given subject to conditions.

To assist the Secretary of State to determine the application the District/Borough Council is requested to return to me two copies of this Form with Part I Certificate and Part II completed and signed.

Department of the Environment Circular 14/90 (Welsh Office Circular 20/90)[Department of Energy Circular 1/90] describes this procedure and the reason for it.

Yours faithfully
For and on behalf of East Midlands Electricity plc.

R Calloway

PP (G Paling)
Designation: Project Manager

PARTICULARS OF PROPOSED DEVELOPMENT AND REPRESENTATIONS
(To be completed by East Midlands Electricity plc)

Application is being made:

(a) for consent under section 37 of the Electricity Act 1989 to install or keep installed an electric line above ground;

1. Particulars of proposed development. (These particulars should be accompanied by such plans as may be necessary to enable the local planning authority to identify the land affected by the proposals and to appreciate the nature and extent of the proposed development and by a copy of the environment statement if the applicant has prepared one.)

To erect the proposed 11,000 volt overhead line on wooden poles in the parish(es) of Weston with a tolerance of 30m either side of the route shown on the attached plan.

2. Particulars of any representations of objections which have been made to East Midlands Electricity plc.

3. Particulars of the applicant's compliance with his duty under paragraph 1 of Schedule 9 to the Electricity Act 1989.

ENVIRONMENTAL STATEMENT

It is proposed to erect approximately 700 metres of 11kv overhead line together with underground cables. This will allow 3.7km to be removed.
The existing high voltage line is to replace an existing line which is nearing the end of its useful life. The new line has been placed, where possible, along dyke tops and field boundaries which will be of benefit to the owners and tenants of the land.

Date 1 May 1998 For and on behalf of East Midlands Electricity plc

PART II - INFORMATION AND OBSERVATION
(To be completed by the District/Borough Council)

Planning Reference Number EM356/23b/99198

1. Names of interested parties consulted about the proposals with details of any observations received.

2. Particulars of any representations which have been made to the local planning authority objecting to the proposals.

3. Have any general or specific restrictions been imposed by any authority on development of the land affected by the proposed development?
