PROPOSED EXTENSION & ALTERATIONS TO HOUSE AND NEW GARDEN BUILDINGS AT 'THE VILLA" 83 NEW ROAD SUTTON BRIDGE for MR & MRS WARR

DO NOT SCALE FROM THIS DRAWING

This drawing is the property of the designer. It is protected by copyright and may not be reproduced or used for other purposes than that for which it was intended without the designer's prior written consent. Figured dimensions only should be used. No responsibility can be accepted for errors made by others in scaling from this drawing. All dimensions must be checked on site by the contractor before commencement of any work or the preparation of shop drawings. Any discrepancies must be reported to the designer immediately. Any alterations to the design, specification or other information shown on this drawing must be discussed with and approved by the designer. Only sub contractors and suppliers recommended by the designer should be used. Any proposed variations from the approved drawings must be reported to the designer for approval before proceeding. The work must be carried out in accordance with the current edition of the Building Regulations, British Standard Codes of Practice and Manufacturers' Instructions. It is the responsibility of the contractor to ensure that all necessary approvals are obtained from the relevant authorities before commencement of any work. All dimensions are in millimetres unless otherwise stated. Where a British Standard, Code of Practice or other specification is referred to, it is the most recent edition that is to be used unless otherwise stated. This drawing is to be read in conjunction with all other relevant drawings and specifications. Any discrepancies must be reported to the designer immediately. Any alterations to the design, specification or other information shown on this drawing must be discussed with and approved by the designer.
