DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be altered, traced, photographed or used for any other purpose than that for which it is issued. Only figured dimensions are to be taken from this drawing on site and report any discrepancies to the Architect. All issues shown on the drawing including footprints are based upon normal site conditions visible to the eye. No responsibility can be accepted for abnormal conditions which may be discovered during construction unless reported to the Architect so that design amendments may be considered. Site soil surveys are recommended in respect of foundations to establish actual site conditions before foundation work is undertaken. The Architect is not to be responsible for any errors or omissions shown or not shown in tender or building documents if he has not been specifically employed to prepare or check such documents for approval. The drawing must not be used as a contract document basis. The works will not be supervised / inspected on site by G R Merchant or any representative thereof. It is the client or its or appointed agents responsibility to obtain workmanship, substitution of materials, adherence to specification, variations to contract etc.

All materials to be new, unless otherwise stated and all components and materials are, to be used, applied or installed in accordance with the manufacturer's recommendations. Where no such instructions is received shall conform to reference British Standard specifications or their ISO or European equivalent. The Employer / Client shall ensure that the selected contractor is conversant with and adopts all necessary measures to address compliance with Health and Safety legislation for Building sites and Work Places. The Employer / Client is advised this should also be undertaken for the Design Stage of the project. Any quotations based upon incomplete Planning Sketch must not be relied on. The works shall commence of all that is shown on the drawing and any work that / or not specifically shown but may be reasonably deemed as necessary to carry out the works shall be deemed to be included.
