DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be altered, traced, photographed or used for any other purpose other than that for which it is issued. The Owners Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing include for Builders and Sub-Contractors Preliminaries and Attendance. Any items not to be included in Builders and Sub-Contractors quotations which may be discovered during construction present reported to the Architect on their receipt and instructions may be considered. Site soil surveys are recommended in respect of found stone to weather specific site conditions before foundation work is undertaken. This drawing is limited in the amount of information contained and does not purport to contain a full specification of the works. It is issued for the purposes of obtaining Planning / Building Regulation approval. This drawing must not be used as a contract document alone. The works will not be supervised or inspected on site by G R Merchant or any representative thereof. It is the client or their appointed agents responsibility to control workmanship, substitution of materials, adherence to specification, variations to contract etc.
All materials to be new unless otherwise stated and all components and materials etc. to be used fixed and installed etc. in strict accordance with manufacturers instruction and relevant code of practice. Materials shall conform to appropriate British standard specification or BBA certificate or European code equivalent. The Employer / Client shall ensure that the selected contractor is competent with and adopts all measures necessary to ensure compliance with Health and Safety legislation for Building sites and Work people. The Employer / Client is advised that should the works need to comply with the Construction (Design and Management) Regulations 1994 a competent Planning Supervisor will be required. The extent of any work at all that is shown or the drawing and details. Work that may be required after the removal of any part that is carried as necessary to carry out the works shall be deemed to be included.
