DO NOT SCALE FROM THIS DRAWING

This drawing is the property of the Architect. No permission is given for its use or any part thereof without consent. Prior to commencement of any work or the ordering of any materials or components the Contractor must check all dimensions on site and be responsible for the accuracy of dimensions and shall not proceed by scaling from drawings. If the work is to be executed by persons other than the Contractor, the Contractor must provide copies of the drawings to the persons concerned. Any such persons are responsible for the correct interpretation of the drawings and shall be responsible for the accuracy of dimensions and shall not proceed by scaling from drawings. If the work is to be executed by persons other than the Contractor, the Contractor must provide copies of the drawings to the persons concerned. Any such persons are responsible for the correct interpretation of the drawings and shall be responsible for the accuracy of dimensions and shall not proceed by scaling from drawings. All dimensions are in millimetres unless otherwise specified. Do not scale from drawings. Any discrepancies or ambiguities must be reported to the Architect before work is commenced. Any sub-contractors are responsible for the accuracy of their own dimensions and shall be responsible for the correct interpretation of their own drawings. Any discrepancies or ambiguities must be reported to the Architect before work is commenced.
