This drawing is copyright and may not be altered, traced, photographed or used for any other purposes without the written permission of G.R. Merchant. Dimensions are to be taken from figured dimensions only and any discrepancies to be reported. All details shown on this drawing to comply with the relevant current British Standard Codes of Practice and Building Regulations unless noted otherwise. Any departures from the above must be brought to the attention of the Building Control Officer before work is commenced. Materials and workmanship to be in accordance with the relevant British Standard Specifications and Codes of Practice. Where no British Standard exists, materials and workmanship to be in accordance with the relevant European Standard or other National Standard. Where no such Standard exists, materials and workmanship to be in accordance with the manufacturer's recommendations. Where proprietary products are specified, alternatives may be used only with the prior approval of the Building Control Officer. Where no details are shown, or where the details are not sufficient, the work is to be carried out in accordance with the best trade practice. Where no dimensions are given, the work is to be carried out to the dimensions of existing adjacent work. Where new work abuts existing, the finishes are to be made good to match existing. Where new work is to be connected to existing, any minor adjustments necessary to effect a satisfactory connection are to be made. Any discrepancies between the drawings and the existing work are to be reported to the Architect before proceeding with the work. Any variations from the drawings are not to be made without the approval of the Architect. Figured dimensions are to be taken in preference to scaled dimensions. Dimensions are in millimetres unless otherwise stated. Levels are in metres above Ordnance Datum unless otherwise stated. Setting out dimensions are to be checked on site before commencing work. Any errors or discrepancies are to be reported to the Architect before proceeding with the work. Any variations from the drawings are not to be made without the approval of the Architect.
