TOWN AND COUNTRY PLANNING ACT 1990

OUTLINE PERMISSION

Reference:	H01-0885-15	Date of Decision:	30th October 2015
Applicant:	Mr & Mrs A Neal Warrens Nest Capes Entry Cowbit Spalding PE12 6AG		
Location:	Capes Entry Cowbit Spalding		
Description:	Residential Development		

South Holland District Council hereby give notice that this application has been REFUSED for the above proposal for the following reason(s):

- 1 The proposed development is located outside the confines of a settlement in an area classified as open countryside where it is the policy of the Local Planning Authority to permit new residential development only in exceptional cases where it is satisfied that there is an essential need. It is considered that the circumstances of this case are not sufficient to justify permission, which would be contrary to Policies SG4 and HS7 of the adopted South Holland Local Plan, 2006. These policies are in accordance with advice within Paragraph 55 of the National Planning Policy Framework, 2012 and are aimed at ensuring that new development is in a sustainable location and that the character of the countryside is protected. It is considered that the granting of permission for the proposed development in this unsustainable and relatively isolated location would be harmful to the purposes of these policies because, as well as its individual effect on these issues, it would encourage further similar proposals which would then be difficult to resist.

It is therefore considered that this proposal is contrary to policies SG4 and HS7 of the South Holland Local Plan, 2006 and to national guidance contained within Sections 6, 7 and Paragraphs 14 and 55 of the National Planning Policy Framework 2012,

Notes:

The Local Planning Authority has acted positively and proactively in determining this application by assessing it against all material considerations, including national guidance,

planning policies and representations that have been received during the public consultation exercise. However, the issues are so fundamental to the proposal, due to the harm which has been clearly identified within the reason(s) for the refusal, that approval has not been possible.

This decision notice, the relevant accompanying report and the determined plans can be viewed online at <http://planning.sholland.gov.uk/OcellaWeb/planningSearch>

The determined plans are:

Site Location Plan (1:1250), Dwg. No: 1099/01 and Flood Risk Assessment (prepared by SM Hemmings, dated 16th September 2015).

RIGHTS OF APPEAL

Appeals to the Secretary of State

If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or grant consent subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990 or Section 20 of the Planning (Listed Building and Conservation Areas) Act 1990.

Timescales for appealing

The deadlines for appeals are calculated from the **date of decision** and are as follows for the types of applications below:

12 Weeks	6 Months	8 Weeks
Householder Applications	Planning Permission	Consent to Display Adverts
Minor Commercial Development	Listed Building Consent	
Agricultural Determinations	Other Prior Approval Applications	
Householder Prior Approval Applications		

Enforcement Notices

If an enforcement notice was served prior to the planning application being determined then the deadline for appealing is 28 days from the date of the **planning refusal**

If an enforcement notice is served after the planning application is determined then the deadline for appealing is 28 days from the date of the **enforcement notice** OR **the timescales stated above for each application type** from the date of the planning refusal - whichever is sooner.

All appeals must be made using an Appeal Form which you can get from The Planning Inspectorate at Temple Quay House, 2 The Square, Bristol, BS1 6PN (tel: 0303 444 5000) or you can submit your appeal online at:

<http://www.planningportal.gov.uk/planning/appeals/online/makeanappeal>

The Secretary of State can allow a longer period for giving notice of an appeal but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the

provisions of the development order and to any directions given under the order. In practice the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based its decision on a direction given by him.

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grant it subject to conditions the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of the Part VI of the Town and Country Planning Act 1990 or Section 32 of the Planning (Listed Building and Conservation Areas) Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to him.

These circumstances are set out in Section 114 and related provisions of the Town and Country Planning Act 1990 and Section 27 of the Planning (Listed Building and Conservation Areas) Act 1990.
