Approval of Details Reserved by Conditions

Planning Approval: H01-0602-10

Section 6 – Discharge of Conditions.

Condition 3 – It is proposed that the existing planting will be retained. Light trimming may be carried out but any trimming will not have any detrimental effect on the health of those plants. The planting will be maintained for a period of 10 years.

Condition 4 - The roof of the shed will be stone chipped in Grey and the timber walls will be stained using a Cuprinol preserver – Chestnut Brown.
