TOWN AND COUNTRY PLANNING ACT 1990

FULL

Reference: H01-1049-19 **Date of Decision:** 9th January 2020

Applicant: Mr Nick Creasey
The Old Mill
11 Backgate
Cowbit
Spalding Lincs
PE12 6AP

Location: The Old Mill 11 Backgate Cowbit Spalding

Description: Change of use of domestic garage/workshop to use for storage of materials in relation to property maintenance business

South Holland District Council hereby give notice that this application has been GRANTED (or equivalent) subject to the following condition(s):

1 The development must be begun not later than the expiration of three years beginning with the date of this permission.

Reason: As required by Section 91 of the Town and Country Planning Act 1990 as amended by the Planning and Compulsory Purchase Act 2004.

2 The development hereby permitted shall be carried out in accordance with the following approved plans:

Site Location Plan
Block Plan
Application Form

Reason: For the avoidance of doubt and in the interests of proper planning.

3 This permission shall operate for the benefit of Mr Nick Creasey and the use hereby approved shall be terminated at such time as Mr Nick Creasey cease(s) to occupy the premises.

Reason To ensure that the proposed B1 use is only in effect for as long as is necessary and that Domestic use can be restored when B1 use is no longer required, in order to guarantee the continued residential character of the area and to protect against future mishandling or vacancy at the site.

4 The right to permitted development or 'Deemed Consent' in relation to the erection of advertisements as defined in the Town and Country Planning (Control of Advertisements) (England) Regulations 2007, afforded to this site are hereby withdrawn. Therefore, if the owner/occupier of the site wishes to erect any advertisements or signage at the site, Advertisement Consent must first be obtained.

Reason: To ensure that the Local Planning Authority retains control over the erection of advertisements/signage at the site in order to better protect the non-commercial, residential nature of the surrounding area.

Notes:

The property owner/operator/resident should note that the granting of this permission does not exempt them from controls on generation of noise or any other negative environmental impact upon local residential amenity as enforced by the Local Authority Environmental Protection Team and should note that any breach of these controls may be subject to enforcement action. Given that the site is within a residential area, the property owner/resident should, then, be considerate of local residential amenity and take care that operations on the site do not create unreasonable levels of noise both during and outside of opening hours.

The Local Planning Authority has acted positively and proactively in determining this application by assessing it against all material considerations, including national guidance, planning policies and representations that have been received during the public consultation exercise, and subsequently determining to grant planning permission.

BUILDING REGULATIONS:
This decision refers only to planning permission as granted under the Town and Country Planning

Act 1990. The works that you are proposing may also require Building Regulations and this planning permission does not give authority under Building Regulations to commence work. Please contact the Building Control section for further information on 01775 764557 or bcadmin@sholland.gov.uk

RIGHTS OF APPEAL

Appeals to the Secretary of State

If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or grant consent subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990 or Section 20 of the Planning (Listed Building and Conservation Areas) Act 1990.

Timescales for appealing

The deadlines for appeals are calculated from the **date of decision** and are as follows for the types of applications below:

12 Weeks	6 Months	8 Weeks
Householder Applications	Planning Permission	Consent to Display Adverts
Minor Commercial Development	Listed Building Consent	
Agricultural Determinations	Other Prior Approval Applications	
Householder Prior Approval Applications		

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planning inspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

Enforcement Notices

If an enforcement notice was served prior to the planning application being determined then the deadline for appealing is 28 days from the date of the **planning refusal**.

If an enforcement notice is served after the planning application is determined then the deadline for appealing is 28 days from the date of the **enforcement notice** OR **the timescales stated above for each application type** from the date of the planning refusal - whichever is sooner.

Appeals can be made online at: https://www.gov.uk/planning-inspectorate. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the

Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under the order.

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grant it subject to conditions the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of the Part VI of the Town and Country Planning Act 1990 or Section 32 of the Planning (Listed Building and Conservation Areas) Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to him.

These circumstances are set out in Section 114 and related provisions of the Town and Country Planning Act 1990 and Section 27 of the Planning (Listed Building and Conservation Areas) Act 1990.
