Description: Erect detached bungalow with double garage

Location : Mill Drove Cowbit

South Holland District Council hereby give notice that PERMISSION HAS BEEN REFUSED for the development for the following reason(s):

1 The site is outside the confines of a settlement in an area of open countryside where it is the policy of the Local Planning Authority to permit new development only in exceptional cases where it is satisfied that there is a special need, particularly in connection with agriculture. In the opinion of the Local Planning Authority the circumstances of this case are not sufficient to justify permission, which would be contrary to Policy 7a of the Lincolnshire Structure Plan. This policy is in accordance with national planning policies as set out in Planning Policy Guidance Note No. 7, 1992 (The Countryside and the Rural Economy), and is aimed at the conservation of agricultural land, the preservation of the character of the countryside, and the economic provision of services. In the opinion of the Local Planning Authority the granting of permission for the development as proposed would be harmful to the purposes of this policy, because as well as its individual effect on these issues, it would encourage further similar proposals which would be difficult to resist.

2 In the opinion of the Local Planning Authority the development would be an intrusive feature in the landscape, as a result of its size, design and appearance and the extent of its residential curtilage.
