DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be stored, traced, photographed or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including foundations are based upon typical site conditions noised to the area. No responsibility can be accepted for unproved conditions which may be discovered during construction unless reported to the Architect before that stage is commenced. Any variations to be scrutinized, the authority be informed of the nature of the variation which would result in the alteration of the drawing. This drawing is limited in the amount of information contained and does not purport to contain a full specification of the works. It is solely for the purpose of obtaining Planning / Building Regulations approval. This drawing must not be used as a contract document alone. The works will not be supervised or inspected on site by G R Merchant or any representative thereof. It is the client or their appointed agents responsibility to control workmanship, substitution of materials, adherence to specification, variations to contract, etc.

All materials to be new unless otherwise stated and all components and materials are to be used fixed and installed only in strict accordance with manufacturers instruction and relevant code of practice. Materials which conform to appropriate British standard specification or EEA certificate or other technical approval may be substituted for those specified provided they are shown to be equivalent in comply with and provide all insurances necessary to achieve same. Comply with Health and Safety legislation for Building sites and Work places. The Employer / Client is advised that should the works need to comply with the Construction Design and Management Regulations an Independent Planning Supervisor will be required. The works shall comprise of all that is shown on the drawing and details. Work that may not specifically shown but may be reasonably inferred as necessary to carry out the works shall be deemed to be included.
