TOWN AND COUNTRY PLANNING ACT 1990

FULL

Reference: H02-0030-23 **Date of Decision:** 9th June 2023
Applicant: Mr G Jenkins
67 North Street
Crowland
Peterborough
PE6 0EG
Location: 67 North Street Crowland
Description: Change of use of dwelling to include the use for dog breeding - retrospective

South Holland District Council hereby give notice that this application has been REFUSED for the above proposal for the following reason(s):

- 1 The layout and nature of the site within a residential area means that the proposed use is within close proximity to a number of neighbouring residential properties. Dog barking and noise disturbance from up to 30no adult dogs (in addition to the further litters on site), with such minimal separation distances to these neighbouring properties, is considered to have an unacceptable impact upon surrounding residential amenity.

Policies 2 and 3 of the South East Lincolnshire Local Plan (2019) (SELLP) outlines that residential amenity is one of a number of key principles of good quality design, along with Paragraph 130 of National Planning Policy Framework (NPPF), 2021 which establishes that developments should ensure a high standard of amenity for existing and future users, among other considerations. Policy 30 of the SELLP also states that development proposals will not be permitted where, taking account of any proposed mitigation measures, they would lead to unacceptable adverse impacts upon the amenities of the area by way of noise pollution (amongst other matters).

Taking the above into account, it is considered that the keeping of up to 30 dogs in association with the commercial use at this residential property, within an area characterised by residential development, causes unacceptable harm to the amenity of

neighbouring properties and impacts upon their living conditions through noise and disturbance. The site is therefore not considered to be suitable for the keeping of this excessive quantum of dogs and is contrary to Policies 2, 3 and 30 of the South East Lincolnshire Local Plan, 2019, as well as Paragraph 130 of the National Planning Policy Framework, 2021.

Notes:

The Local Planning Authority has acted positively and proactively in determining this application by assessing it against all material considerations, including national guidance, planning policies and representations that have been received during the public consultation exercise. However, Members of the Planning Committee, which took the decision to refuse planning permission, consider that the issues are so fundamental to the proposal, due to the harm which has been clearly identified within the reason(s) for the refusal, that approval has not been possible.

This decision notice, the relevant accompanying report and the determined plans can be viewed online at <http://planning.sholland.gov.uk/OcellaWeb/planningSearch>

RIGHTS OF APPEAL

Appeals to the Secretary of State

If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or grant consent subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990 or Section 20 of the Planning (Listed Building and Conservation Areas) Act 1990.

Timescales for appealing

The deadlines for appeals are calculated from the **date of decision** and are as follows for the types of applications below:

12 Weeks	6 Months	8 Weeks
Householder Applications	Planning Permission	Consent to Display Adverts
Minor Commercial Development	Listed Building Consent	
Agricultural Determinations	Other Prior Approval Applications	
Householder Prior Approval Applications		

<https://www.gov.uk/appeal-householder-planning-decision>

<https://www.gov.uk/appeal-planning-decision>

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planning-inspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

Enforcement Notices

If an enforcement notice was served prior to the planning application being determined then the deadline for appealing is 28 days from the date of the **planning refusal**.

If an enforcement notice is served after the planning application is determined then the deadline for appealing is 28 days from the date of the **enforcement notice** OR the **timescales stated above for each application type** from the date of the planning refusal - whichever is sooner.

Appeals can be made online at: <https://www.gov.uk/planning-inspectorate>. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in

giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under the order.

Purchase Notices

If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grant it subject to conditions the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of the Part VI of the Town and Country Planning Act 1990 or Section 32 of the Planning (Listed Building and Conservation Areas) Act 1990.

Compensation

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to him.

These circumstances are set out in Section 114 and related provisions of the Town and Country Planning Act 1990 and Section 27 of the Planning (Listed Building and Conservation Areas) Act 1990.
