Dear Phil Norman,

Ref – Land at 18 Low Road/Plank Drove, Crowland
Planning Reference – H02-0054-18

Condition 19 - No development shall be commenced until an Estate Street Phasing and Completion Plan has been submitted to and approved in writing by the Local Planning Authority. The Estate Street Phasing and Completion Plan shall set out the development phases and the standards that estate streets serving each phase of the development will be completed to.

I am writing to confirm that all works required as part of the development approved on the forementioned Planning Approval Notice will be carried out in one phase. No sections of the site will not be handed over to the client until works are completed to all plots, private and adoptable estate roads, and drainage works.

I trust this satisfies condition 19 and look forward to receiving the discharge notice.

Yours faithfully,

Scott Broadbent
Quantity Surveyor
