DO NOT SCALE FROM THIS DRAWING

This drawing is copyright and may not be allowed, copied, photographed or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including foundations are based upon typical site conditions related to the area. No responsibility can be accepted for errors or omissions which may be encountered by the contractor on site. Reports are required for the necessary design amendments may be considered. Site local surveys are recommended in respect of foundation conditions and site conditions before foundation work is undertaken. This drawing is limited to amount of information contained and does not support to contain a full specification of the works. It is only for the purpose of obtaining Planning / Building Regulation approvals. This drawing is not to be used as a contract document alone. The works will not be supervised or inspected on site by G. Merchant or any representative thereof. It is the client and their agents' responsibility to ensure that appropriate maintenance, substitution of materials, adherence to specification, variations to contract and to make any use unless otherwise stated and all components and materials are to be used fit and installed etc. in strict accordance with manufacturers' instructions and relevant code of practice. Materials shall conform to appropriate British standard specification or BSIA equivalent for Building systems. The Employer / Client shall ensure that the selected contractor is conversant with and complies with the Construction Design and Management Regulations and an independent Planning Supervisor will be required. The works shall comprise of all as shown on the drawing and details. Works that may not specifically be shown but may be necessary / inferred are unnecessary to carry out the works shall be deemed to be included. It is the plot / land owners responsibility to be aware of the Party Walls act, 1986, when building in close proximity to adjoining neighbours boundaries.

DO NOT SCALE FROM THIS DRAWING
This drawing is copyright and may not be altered, traced, photographed or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including foundations are based upon typical site conditions related to the area. No responsibility can be accepted for abnormal conditions which may be discovered during construction unless reported to the Architect so that design amendments may be considered. Site and survey are recommended in respect of foundations to establish specific site conditions before foundation work is undertaken. This drawing is issued in the absence of information contained and does not purport to contain a full specification of the work. It is solely for the purpose of obtaining Planning / Building Regulation approval. This drawing must not be used as a contract document alone. The works will not be supervised or inspected on site by G R Merchant or any representative thereof. It is the client or their appointed agents responsibility to control workmanship, substitution of materials, adherence to specification, variations to contract etc. All materials to be new unless otherwise stated and all components and materials etc. to be used fitted and installed etc. in strict accordance with manufacturers instructions and relevant code of practice. Materials shall conform to appropriate British standard specification or EN certificate or European code equivalent. The Employer / Client shall ensure that the appointed contractor is conversant with and adopts all measures necessary to achieve compliance with Health and Safety legislation for Building sites and Workplaces. The Employer / Client is advised that should the works, apart from carrying out the Construction Design and Management Regulations on independent Planning Supervisor will be required. The works shall comprise of all that is shown on the drawing and details. Work that may not necessarily be shown but may be necessary to ensure the structure is carried out and the works shall be deemed to be included. It is the plot / land owners responsibility to be aware of the Party Wall etc. Act 1996, when building in close proximity to adjoining neighbors boundaries.
