

HELP ME KEEP MY PLAY HOUSE

Hello! My name is Olivia, I'm 9 Years. I live 99 Millfield Gardens. My dad has build a play house in our gardens for me and my younger brother because there is nothing for children in the area we're living. When the playhouse was nearly finished, someone complaining to the Council about it. We didn't know that we need planning permission for the play house. When someone from council came to check my dad applied for the permission. And paid to the council nearly £200. After few weeks council said that the play house is to high for our garden and we can see all neighbours leaning around in gardens. That's the only problem we can't keep the play house the asked to cut the legs and put the house on the ground. Council send letters to the close neighbors to ask them if they don't mind the play house. They are both on about it. We are asking sign if you don't have any problem to keep the house as it is.

THANK YOU! Olivia + Alan

Dear Sir/Madam

Re:- The playhouse on stilts @ No. 99
MILLFIELD GARENS

I have no problem at all with this playhouse being left in place. It has been lovingly made for Olivia & her little brother to play in by their Father. It does not intrude on my privacy at all. And I have not heard of anyone complaining about it.

It is nice to see a work like this - it enhances the area.

I feel personally that this family should be allowed to keep the playhouse.

Yours with Regards
Ea Jones.

RE: wooden play structure in the garden
of 99 Millfield gardens.

Dear Sir/Madame

In regards to the wooden play structure
in the garden of 99 Millfield gardens,
We find the playhouse Unobtrusive
and that it is a very well built
and nice looking feature.

It is not an eye sore of any kind, and
does not impede on our garden and
we do not have a problem with it at
all, As we wouldn't have a problem if all
of our neighbours had one in their
gardens.

Kind Regards

N Gordon.

NICOLA GORDON.

Dear Sir/Madam,

I am writing this letter on behalf of my neighbours. Mr Fokt has built a beautiful playhouse in his garden which you feel causes serious overlooking of neighbouring gardens, we feel that although the greenhouse over looks our garden it doesnot affect our privacy. We feel our privacy is still the same.

We however feel we can see more from our bedroom window and we can see more of the neighbouring gardens. We also have children who play on a trampoline like most of the gardens down here and when they bounce ~~into~~ they can see straight into others gardens so surely this affects their privacy too. I would appreciate it if you reconsidered your decision as the playhouse itself is beautiful and it means the world to the

little girl next door.

Please remember this is a child's toy and so the children play in this they donot stand and stare and look in our garden they just play and I think this is nice.

I hope once again you will reconsider as I believe it should be allowed to stay and be used as a toy.

Yours Sincerely

C. Nightingale

South Holland District 16/9/14/
Council.

Dear Sir or Madam,

I am writing this letter
to say I have no objection
to the play house at 99
Millfield Gardens. It is nice
to look at And I feel it
does not affect my privacy
As only children play in
it. The little girl Olivia
enjoys it and I feel it is
doing no harm, and do
not feel over looked in any
way.

Yours Faithfully
Julie PinfS.

Dear Sir / madam,

I am writing to support my neighbour at, 99, MILLFIELD GARDENS, CROULAND. I have no objections to the playhouse in their garden, or the height of the playhouse. As for overlooking into my garden I have no objections to that either. If I wanted to look into anyones back garden then I would be able to do this from my bedroom window at any time of the day or night. I feel Council time could be spent on more important matters and not on people who are trying to help there children enjoy the outdoor life. Why not leave well alone and let people get on with there lives.
