TOWN AND COUNTRY PLANNING ACT 1990 TREE WORKS IN A CONSERVATION AREA

Reference: H02-0179-20 **Date of Decision:** 2nd April 2020

Applicant: Mrs J Ireland
26 South Street
Crowland
Peterborough
PE6 0AJ

Location: 26 South Street Crowland Peterborough

Description: Works to Trees in Crowland Conservation Area

Detailed Description:

Notification to carry out works to an ash tree in the grounds of 26 South Street, Crowland.
For location please see plan/aerial photograph accompanying the Notification.

'T1 ash - tree, pollard to approx. 20ft.,
due to over extended limbs, with lots of already snapped branches within the crown. During
summer it causes a lot of shade to surrounding properties and a child's play area directly beneath.
Pollarding would extend the life of the tree significantly and prevent further limb failure.'

**South Holland District Council has considered the proposal and has no objections,
subject to any recommendation set out below;**

- 1 That the proposed work is carried out within two years of the date of this letter of 'No Objection'.
- 2 Work is to be carried out in accordance with BSI 3998 : 2010, 'Recommendations for Tree Work'.

Notes:

Please note that in future years when the pollard points have regrown they will require to be regularly pruned back to ensure that they do not become too heavy, making the tree structurally unsound. When in years to come this requires to be done a further Tree Works Notification will need to be submitted.

Under the Wildlife and Countryside Act 1981 (as amended) all birds, their nests and eggs are protected by law and it is an offence to damage or destroy the nest of any wild bird while it is in use or being built. In the event of query please contact Natural England on Tel: 03000 603900.
