Application H02-0189-19
Location Crease Drove Crowland
Proposal Erection of 108 dwellings with associated garaging, roads and sewers

Name Steve Branson
Address SHDC Priory Road

Date Submitted 10-06-19
For/Against Comments

The conclusions of the acoustic assessment carried out by Blue Tree Acoustics seem reasonable and I note the recommendations made regarding design and construction. I would ask that consideration be given to the orientation of habitable rooms in the proposed properties along the boundary of the site with Crowland Cranes and would suggest that they are designed to face into the site.
