Application	H02-0210-24
Location	QUEENS BANK HOUSE QUEENS BANK CROWLAND PE6 0JR
Proposal	Ancillary building comprising garages/storage/workshop - Retrospective (Resubmission of H02-0555-23)

Name	Oliver Abrams
Address	SHDC Environmental Protection Officer
Date Submitted	03-04-24
For/Against	Comments

I request that a precautionary land contamination condition be applied at this location, as follows:

In the event that contamination is found at any time when carrying out the approved development that was not previously identified it must be reported immediately to the Local Planning Authority (LPA). An investigation and risk assessment must be undertaken in accordance with details to be agreed with the LPA. Where remediation is necessary, a remediation scheme must be submitted to and approved in writing by the LPA. Following completion of measures identified in the approved remediation scheme a verification report shall be submitted to and approved by the LPA.

No deviation shall be made from this scheme without the express written agreement of the LPA. If during redevelopment contamination not previously considered is identified, then the LPA shall be notified immediately and no further work shall be carried out until a method statement detailing a scheme for dealing with the suspected contamination has been submitted to and agreed in writing by the LPA.

Reason: To assess whether the site is polluted and to address any pollution to ensure a satisfactory development. This issue is integral to the development and therefore full details need to be finalised prior to the commencement of works.

This Condition is imposed in accordance with Policy 30 of the South East Lincolnshire Local Plan, 2019.
