Location: 74 West Street Crowland Spalding Peterborough

Description: Works to trees in Crowland Conservation Area

Detailed Description:

Notification with regard to the pruning of a Salix contorta in the garden of 74 West Street, Crowland, located near the western boundary.

The notification is to remove the top of the tree as shown on the photograph which was attached to the notification form. (A copy of the photograph may be viewed on South Holland District Council website www.sholland.gov.uk under notification reference H02-0288-16.) The proposed surgery will leave the tree with a height of ten feet, the main branch forks to be retained to ensure future growth.

South Holland District Council has considered the proposal and has no objections, subject to any recommendation set out below;

1 That the proposed work is carried out within two years of the date of this letter of 'No Objection'.

2 Work is to be carried out in accordance with BSI 3998 : 2010, 'Recommendations for Tree Work'.

Notes:

The necessary consent of all other interested parties should be obtained before the works proceed.

Under the Wildlife and Countryside Act 1981 (as amended) all birds, their nests and eggs are protected by law and it is an offence to damage or destroy the nest of any wild bird while it is in use or being built. In the event of query please contact Natural England at their Lincoln office on 03000 603900.

Bats are protected species under the Wildlife and Countryside Act 1981 (as amended) and in the event that bats are living in any cavities in the tree(s), or if they are discovered while the works are taking place, please inform Natural England at their Lincoln office on 03000 603900 before works proceed.
