**DO NOT SCALE FROM THIS DRAWING**

This drawing is copyright and may not be altered, traced, photographed or used for any other purpose other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including foundations are based upon typical site conditions related to the area. No responsibility can be accepted for abnormal conditions which may be discovered during construction unless reported to the Architect so that design amendments may be considered. Site soil surveys are recommended to establish the ground conditions and bearing capacities prior to commencement of foundations. This drawing is limited in the amount of information contained and does not purport to show all the specification if this work is to be used for the purpose of obtaining Planning and / Building Regulations approvals. This drawing must not be used as a contract document alone. The works will not be supervised or inspected on site by G.R Merchant or any representative thereof. It is the client or their appointed agents responsibility to control workmanship, substitution of materials, adherence to specifications, variations to contract etc.

All materials to be new unless otherwise stated and all components and materials etc. to be used fitted and installed etc. in strict accordance with manufacturers instructions and relevant code of practice. Materials shall conform to appropriate British standard specification or BBA certificate or European code equivalent. The Employer / Client shall ensure that the selected contractor is conversant with and advises all measures necessary to achieve compliance with Health and Safety legislation for Building sites and Work place... The Employer / Client is advised that should the works need to comply with the Construction Design ... Arrangements Regulations an Independent Planning Supervisor will be required. The ... of all that is shown on this drawing and details. Work that may not specifically shown but may be reasonably inferred as necessary to carry out the works shall be deemed to be included.
