DETERMINED PLAN

DO NOT SCALE FROM THIS DRAWING
This drawing is copyright and may not be traced, copied, photographed or used for any other purpose other than for which it is sent. The Person Commissioning it to check all dimensions on site and report any discrepancies to the Architect. All structural work shown on this drawing, including foundations and trench depth (typical or otherwise) is the minimum. No responsibility can be accepted for any conditions which may be discovered during construction. Where necessary, the Architect will design amendments which may be considered. We are always pleased to receive comments in respect of these drawings and will be pleased to give advice on any matters relating to the work shown. This drawing is issued in the amount of information shown and does not purport to contain a full specification of the works. It is solely for the purpose of obtaining Planning / Building Regulation approval. This drawing must not be used as a contract document across. The works will not be supervised or inspected on site by G R Merchant or any of his associates thereof. It is the duty of their appointed agents, responsible to do so to ensure the design, execution of materials, adherence to specification, variations is carried out.
All materials to be new unless shown or stated otherwise. All goods, appliances and materials etc. to be used / fixed and installed etc. in strict accordance with manufacturers instruction and relevant code of practice. We advise a soil report to accompany the full plans submission or Building Control Deposited plans requirement. The Engineer / Client shall ensure that the excavated formation is compacted and adjusted all imperfections as necessary to achieve compliance with Health and Safety regulations for trench depths and shoring etc. The Building Control Agency is advised that should the works need to comply with the Conservation Design and Access Statement, Conditions or Amendments Planning Supervision will be required. The works shall also, most of all, be known on the drawing and done in such that if any work is omitted or shown but may be unclear, by enquiry as necessary so clarify that the works shall be deemed to be included.
