Drawing
GROUND & FIRST FLOOR PLANS

Job Ref.	Drawing No.
897/05	PLOT 25\028 / 1A
Date: MAR 2005	Drawn: JPW
Scales: 1/50	

DO NOT SCALE FROM THIS DRAWING
This drawing is copyright and may not be altered, traced, photographed or used for any other purposes other than that for which it is issued. The General Contractor is to check all dimensions on site and report any discrepancies to the Architect. All details shown on this drawing including foundations are based upon typical site conditions relevant to the area. No responsibility can be accepted for abnormal conditions which may be discovered during construction unless reported to the Architect so that design amendments may be considered. Site soils surveys are recommended in respect of foundations to establish specific site conditions before foundation work is undertaken. This drawing is limited in the amount of information contained and does not purport to contain a full specification of the works. It is solely for the purpose of obtaining Planning / Building Regulations approval. This drawing must not be used as a contract document alone. The works will not be supervised or inspected on site by G.R.Merchant or any representative thereof. It is the client or their appointed agents responsibility to contract workmanship, substitution of materials, differences in specification, variations to comply etc.
All materials to be new unless noted otherwise. All workmanship and materials etc. to be used, fitted and installed etc. to and in accordance with the manufacturers instruction and approved code of practice. Materials shall conform to appropriate British standard specification or BBA certificates or European code equivalent. The Employer / Client shall ensure that the selected contractor is competent with and advise all measures necessary to achieve compliance with Health and Safety legislation for Building sites and Work places. The Employer / Client is advised that should the works need to comply with the Construction Design and Management Regulations an independent Planning Supervisor will be required. The works shall comprise of all that is shown on the drawing and details. Work that may not specifically shown but may be reasonably inferred as necessary to carry out the works shall be deemed to be included.
