TOWN AND COUNTRY PLANNING ACT 1990
TREE WORKS IN A CONSERVATION AREA

Reference: H02-0379-26 **Date of Decision:** 20th May 2026

Applicant: Crowland Parish Council
Parish Rooms
Hall Street
Crowland
PE6 0EW

Location: Snowden Field, Pavilion Thorney Road Crowland Peterborough

Description: Works to Trees in Crowland Conservation Area

Detailed Description:

Trees on the western boundary of the Snowden Field, Thorney Road. Please see the annotated aerial photographs which accompany the Notification.

'T1 ash tree over hanging power line with many snapped branches. Remove these snapped branches and reduce the over hang over the line by appx 3m.

T2 horse chestnut tree reduce over all by appx 3m due to significant dieback.'

(Suggest that the ash has its crown balanced in the process.)

South Holland District Council has considered the proposal and has no objections, subject to any recommendation set out below;

1 That the proposed work is carried out within two years of the date of this letter of 'No Objection'.

2 Work is to be carried out in accordance with BSI 3998 : 2010, 'Recommendations for Tree Work'.

Notes:

The necessary consent of all other interested parties should be obtained before the works proceed.

Please note that the removal of dead wood can be carried out without the need to submit a formal written Notification for works. All works to British Standard 3998 2010 and due regard taken of any Protected Species under the Wildlife and Countryside Act 1981 (as amended) which may be present. The removal of dead wood is included in the description for completeness.

Avoid pruning horse chestnuts in the spring months directly prior to and immediately after bud opening as bleeding of sap from pruning cuts may be a problem. Ideally prune between leaf fall and February.

Under the Wildlife and Countryside Act 1981 (as amended) all birds, their nests and eggs are protected by law and it is an offence to damage or destroy the nest of any wild bird while it is in use or being built. In the event of query please contact Natural England on Tel: 03000 603900.

Bats are protected species under the Wildlife and Countryside Act 1981 (as amended) and in the event that bats are living in any cavities in the tree(s), or if they are discovered while the works are taking place, please inform Natural England on Tel: 03000 603900 before works proceed.

Phil Norman
Assistant Director - Planning and Strategic Infrastructure
South Holland District Council
