Dear Sir/Madam

PROPOSED AMENDMENT

The amended details submitted in respect of the above proposal have been received but I consider that to treat this as an amendment would not be appropriate because either the changes are too significant or certain details have changed so that amending the application is not appropriate. **A fresh application will therefore be required** (forms enclosed). This does not imply that premission will or will not be forthcoming for any such revised application.

You are reminded that a fee may be required for the revised application. Further advice may be obtained from this office.

You are also reminded that Building Regulations approval may also be required for the revised proposal.

Yours faithfully

Dear Sir

Planning Application no. H02/0400/01
New Creche Facility at St Guthlacs School, Crowland

As part of our planning application noted above, we would be grateful if you could accept the attached drawing as a minor amendment to the original scheme. A 'drop-off' lay-by has been shown as a proposal within Cloot Drove, for which the school are currently in negotiation with a third party.

If you have any queries, or require any further information, please do not hesitate to contact is.

Yours faithfully

A. J. Smith
